# BEST ANTI-BLEMISH TREATMENT

## The Face Inc Blemish Essence

The best way to prevent blemishes and possible scarring is to take a long-term preventative approach to acne. Blemish Essence is an intensive treatment that visibly reduces the appearance of blackheads, whiteheads, pimples and acne over time. This clear essence decreases sebum production, unclogs pores and reduces pores size in as little as two weeks. Botanical extracts with powerful antioxidant, anti-inflammatory and antiseptic properties also noticeably reduce existing pimples and accelerate skin healing for clear, healthy and flawless skin. At \$58 (30 ml).

### YOUR NEW MUST-TRIES

#### THE FACE INC BLEMISH CONCENTRATE

This skin-saving concentrate regulates sebum production, soothes irritated skin and diminishes inflamed acne with powerful ingredients such as Zinc PCA. At \$58 (30 ml).

#### THE FACE INC ACNE TREATMENT

Use this spot treatment as a quick-fix for blemishes. This fast-working solution dries up large and inflamed pimples, and clears infected pores overnight. At \$58 (17 ml).

#### THE FACE INC EXFOLIANT

This leave-on exfoliant clears clogged pores and prompts cellular renewal. Formulated with mild AHAs and BHAs, it is gentle enough to be used four times weekly on troubled skin. At \$58 (30 ml).
